

### Feeling like your RTO is stuck?

Here are popular RTO roles you'll love to delegate to global teams...

#### Administration & Enrolment Support

Answering phone/email/social enquiries, data entry & reporting within Student Management System, processing enrolments, filing documentation, etc.

#### Student Support

Supporting & engaging students to ensure progression – mentoring, coaching & holding students accountable to commitments. Scheduling training sessions, coordinating resources & handling all active student enquiries.

#### Compliance and Quality Assurance

Conducting student file audits, participating in validations, managing version control registries, managing CQI registries, keeping Trainer Matrices up-to-date, etc.

#### Instructional Designer

Designing learner-centered experiences via LMS self-authoring tools or Articulate Storyline, etc, to yield highly interactive & engaging learning & assessment resources.

#### Resource Developer

Writing and updating learner guides and assessments, mapping to criteria, conducting research for content relevance, and ensuring quality and compliance.

#### Trainer and Assessor

TAE qualified staff to run training workshops, marking submitted assessments and providing student support while ensuring RTO compliance.

### Deliberate Workforce Strategy

Strategically supporting our clients starts with a no obligation Workforce Review. PeoplePartners is a full accountability chart workforce partner, not just VAs & not just Trainers & Assessors. From this review a full workforce re-engineering report will be prepared, detailing the strategy that we need to pursue together to realise your vision and goals.

We help review and report on opportunities to re-engineer your workforce to remove constraints and maximise productivity in every role, allowing you to attract the best talent while reducing costs.

Our expertise, proven systems, and processes ensure seamless support, so your global team can thrive, all while saving you over **70% on labour costs.**
